

## Vase Decorated With A Leaf Motif, Bronze, Japan, Meiji Era (1868-1912)

450 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 12

Height : 27

### Description

A slender bronze vase, decorated with a partially raised, polychrome design depicting arrow-shaped stems and leaves. A narrow neck rises from the low body, topped by a floral spout. Its rim is shaped like overlapping leaves. The piece is enhanced by two elongated handles, representing leaf stems. Mark stamped on the bottom of the vase. Japan, Meiji era (1868-1912). Bronze, partially polychrome. Height: 27 cm, width: 12 cm. Condition: good, with slight signs of wear and scratches.
