TCHAPAN/KHALAT VEST Traditional
Tchapan/khalat vest (traditional coat), Turkmen
Tekke or Uzbek. It features silk embroidery on
cotton, with silk on the back, and an inner lining
with very colorful and fresh floral prints. The
black, yellow, white, and red silk embroidery
across the entire front depicts stylized plants. The
drawstrings on both sides are made of braided
cotton and silk threads and colored glass beads. A
beautiful example of traditional embroidery.
Very good condition (a slight snag on one of the
drawstring eyelets; see descriptive photos).
