Description

A beautiful red chalk drawing on laid paper, depicting a nude, sculptural warrior in the classical style. The anatomy is superb, full of strength and dynamism. The young man, turned toward the right and standing firmly on his feet, extends his left hand in that direction. A very virile energy is palpable. The body's proportions are perfect, with a beautiful harmony between the subject and his strength. A neoclassical drawing, in the spirit of David. France, circa 1800-1820.
