

A Layered Glass Paste Vase, Attributed To émile Gallé's Art Nouveau Style. The Vase's Body

650 EUR

Signature : Emille Gallé

Period : 19th century

Condition : Très bon état

Material : Glass

Height : 12,7 cm

Description

A layered glass paste vase by Émile Gallé. The body features a refined color gradient, ranging from a bright yellow at the top to a dark brown at the base. The surface is decorated with floral motifs and long, lanceolate leaves, finely rendered using cameo acid-etching. The piece combines masterful craftsmanship and naturalism, hallmarks of the renowned Nancy workshop.
