Description

Pair of 17th-century chests of drawers in walnut wood, of Umbrian provenance, each with three drawers. The front is enriched by pilasters carved with a shaped cartouche motif and a leaf-carved pendant drop; ring-pull handles and a plinth base complete the design. The pieces are complete and retain their original backboard, drawer bottoms and locks, and have undergone some minor restoration work. Umbrian antique, 17th century. Dimensions 148 x 67 cm, height 113 cm.
