Description

Beautiful antique cassone in walnut wood with carved front panels: at either end, two reclining female figures; at the centre, a coat of arms. The panels are framed and surrounded by a scale-carved border, with scrolling rosettes to the corners. Fine gadrooned decoration to the base, feet carved as lion's paws. The top has a moulding with an ogee-profile edge. The cassone retains its original side carrying handles. Piece dating to the 17th century, still in a 16th-century (Cinquecento) taste. Venetian area provenance, circa 1600. Dimensions: 163 x 55 cm, height 57 cm.
