Description

Brief DescriptionAntique panel painting, painted on glass, circa 1860. Depiction of Saint Roch with all his usual attributes. It is possible that this piece was painted as an ex-voto. An inscription is painted at the bottom of the front, though unfortunately it is difficult to read. There are some losses in the paint layer; the frame is original, and the backing has been replaced. Overall, the piece is in good condition, with a very attractive patina from age. Dimensions 46 cm high, 38 cm wide, and 3 cm thick. Price 550 EUR.
