

Iron And Blown-glass Lantern, Italy, Early 20th Century

1 600 EUR

Period : 20th century

Condition : Etat d'usage

Material : Glass

Diameter : 33,5

Height : 90

Description

We are offering this stunning early 20th-century Italian lantern with three internal light bulbs. This hanging lantern is a beautiful bell-shaped model with an elegant retro style. Made of blown glass and iron. Its lines are simple, free of excessive ornamentation; a large, transparent body shaped like an inverted bell protects the blown-glass bulbs. The small bubbles inside the glass are visible. The iron frame features a beautiful antique patina with a weathered look. It's perfect for lighting a hallway, an entryway, a stairwell, or even small spaces. You can add or remove links from the chain to lengthen or shorten it; we can do this, but it must be agreed upon before placing the order. Please note that the height of the lantern without the chain is 54 cm / 21.2598 inches. The electrical wiring has been recently
