

Emile Berchmans : "the Lady With The Big Hat"

450 EUR

Period : 20th century

Condition : Très bon état

Description

Emile Berchmans (1867-1947) (attributed to):
"Woman with a Large Hat," oil on canvas
mounted on panel, 32.5 × 16.5 cm, framed in
a modern gilded frame (minor
imperfections). Attribution and date (1913)
inscribed on the back. Enchanting. That was my
first thought upon seeing this painting for the first
time: the accuracy of this lady's posture in her
visiting attire as she takes off her coat in a
bourgeois interior; the sketch-like treatment
enhanced by the long, all contribute to the charm
of the work, whose style is consistent with the
sketches of the Belgian master to whom it is
attributed. Due to the texture of the canvas, which
catches the light, the photos do not do it
justice. Please feel free to ask us for additional
photos or information via email or phone. More
