### Description

Christofle pair of large fish platters (torpilleurs) in silver-plated metal. Fine RG monograms. Length: 90 cm Width: 33 cm Weight of one platter: 3 kg 700 Christofle hallmark and rider hallmark, allowing these platters to be dated between 1935 and 1953. In beautiful condition with a lovely shine; they have been polished to restore their luster, but I should note that a few scratches and signs of wear remain. The dimensions are exceptional--often "torpilleurs" measure 70 cm, but here we have a generous size.
