

Minimalist Metal Wall Sconce In The Style Of Jean Prouvé, Circa 1950

290 EUR

Period : 20th century

Condition : Bon état

Material : Metal

Height : 100

Depth : 60

Description

Minimalist wall sconce from the 1950s, in the style of postwar French design and Jean Prouvé. Cream-lacquered metal structure consisting of a long, curved wall arm, a swiveling cylindrical head, and a textured glass globe. Wall-mounted with a bracket, featuring a lower hook and exposed cable routing. Dimensions: height 100 cm, depth 60 cm, width 10 cm. Visible signs of wear: marks, scratches, small chips of paint, and oxidation marks in places. The globe is present. The original electrical wiring should be inspected before installation. Item sold as-is.
