Description

Fornasetti's "German Shepherd" umbrella stand is a masterpiece of Italian design crafted from lacquered and screen-printed metal. It depicts a life-size dog, painted using the trompe l'oeil technique and featuring details rich in irony. The dog appears to be sitting on a rocky base, next to a pair of handcuffs positioned near its paws. The back of the sculpted structure holds the umbrella shafts, combining art with practical function. Dimensions: Height 88 cm
