Description

Part of FRED's iconic Force 10 collection, these hoop earrings elegantly reinterpret the nautical theme so dear to the jeweler. Inspired by marine cables and the shackles of sailboats, this design exquisitely combines the nobility of 750? yellow gold (18 KT, eagle-head hallmark) with the modernity of finely twisted steel cables. The body of each hoop consists of a bundle of braided steel cables forming a generous ring, subtly intertwined with three mirror-polished yellow gold gadroons. This contrast of materials and colors, which has become the signature of the Force 10 line, gives the piece an instantly recognizable identity that is at once sporty, contemporary, and timeless. Set on posts with butterfly clasps for pierced ears, these earrings offer excellent hold and are very comfortable to
