

Portrait Of A 16th-century Italian Condottiere In An Antique Gilded Rococo Frame

1 800 EUR

Period : 16th century

Condition : Bon état

Material : Paper

Width : 15 cm

Height : 22. cm

Description

An elegant antique drawing depicting a 16th-century Italian condottiere, shown in bust form in his finely detailed armor, against a landscape background. The delicate line work and rendering of the face are reminiscent of Italian Renaissance portraits. The work is set in an antique carved and gilded wooden frame in the Rococo style, whose rich openwork and floral ornamentation beautifully highlight the drawing. This antique frame forms a lovely ensemble with the portrait.
