

Large Red Chalk Study Of A Nude Woman. France, 17th Or 18th Century.

620 EUR

Period : 17th century

Condition : Bon état

Material : Paper

Width : 23 cms

Height : 40 cms

Description

Large anatomical study of a young nude woman. She is depicted almost from behind, with her face and bust turned toward the viewer. She is smiling, appearing very at ease and very present. Drawing from the 17th or early 18th century, possibly earlier. France, in good condition, with a few small stains along the edges.
