Length : totale: 2,98 cm / de la perle: 1,65 cm environ

Diameter : 1,35 cm

Description

Selected for its generous size, this pearl measures 1.35 cm in diameter and 1.65 cm in height--a particularly sought-after size that gives it an elegant presence without being ostentatious. Its surface features a beautiful luster and a deep orient, revealing subtle shades that range from peacock green to anthracite gray with bronze highlights. True to the finest Tahitian pearls, its mother-of-pearl acts as a true mirror, capturing the colors of its surroundings and shifting its appearance with the light and colors around it. This exceptional pearl is enhanced by a 750/°° white gold setting (18 KT, owl hallmark), delicately set with brilliant-cut diamonds. Its ethereal design, evoking a corolla of petals, is a testament to true jewelry craftsmanship, where every detail has been carefully considered to

complement the pearl without ever overshadowing it. The quality of this setting mirrors that of the gem it holds: such a setting is naturally reserved for a pearl whose size, luster, and presence justify such a refined creation. The subtle sparkle of the diamonds thus highlights the rarity of this Tahitian pearl rather than competing with it. Together, they form a timeless piece of jewelry of great elegance that will appeal to connoisseurs of high-quality cultured pearls and fine jewelry. The chain shown in the photographs is for demonstration purposes only. It is not included in the sale and is available separately in our store under reference

ESVMFR1183. Estimated total diamond weight: approximately 0.35 carats Pearl diameter: 1.35 cm Pearl height: approximately 1.65 cm Gross weight: 5.53 g Condition: imperceptible micro-scratches, imperceptible variations on the pearl's surface indicative of its natural origin, natural inclusions in the diamonds not visible to the naked eye.
