

Pair Of Candelabra, Circa 1800

980 EUR

Period : 18th century

Condition : Bon état

Material : Bronze

Width : 26,5

Diameter : 13,5

Height : 39

Description

A beautiful pair of gilded bronze candelabra (matte gold, shiny gold, and brown gold), decorated with a pearl-seed pattern, delicate friezes of Greek motifs, ovals, lotus leaves, reticulated patterns, etc., featuring two light of arms adorned with acanthus leaves and centered by a small cassollette bowl whose lid can be flipped over to form a third light, supported by a bulbous finial, on a tapered and fluted shaft, connected by a gadrooned pedestal to a circular base (signs of wear). Circa 1800. Good condition.
