Description

This painting depicts a seascape in Brittany, brought to life by a slightly choppy sea crashing against the rocks in the foreground. In the center, a large rock bathed in light serves as the focal point. In the background, several white sailboats dot a luminous horizon that contrasts with the overcast sky, filled with large gray and pink clouds. This is an early 20th-century painting on wood panel, signed in the lower right corner; the signature is difficult to decipher.
