

Knife And Its Sheath Sami Culture, Northern Regions Of Sweden, Norway, And Finland

820 EUR

Period : 20th century

Condition : Bon état

Description

KNIFE and its SHEATH Sami culture, northern regions of Sweden, Norway, and Finland, as well as the Kola Peninsula Circa 1900-1940 Reed, leather, plant fibers, and steel Total length: 21 cm Knife length: 18 cm Knife with a straight, single-edged blade. The tang, featuring a disc-shaped pommel, is carved from a section of reindeer antler and adorned with three rings of plant fibers. Its sheath consists of two slightly curved and tapered birch strips--one side is engraved with friezes and radiating motifs, while the other bears the owner's initials. The upper part of the scabbard is adorned with a leather patch serving as a suspension loop. Provenance: Former American private collection.
