

Pair Of Curtains Featuring Pheasants And Birds Among Flowers - Printed Fabric, 20th Century

480 EUR

Period : 20th century

Condition : Très bon état

Description

An elegant pair of curtains crafted from a beautiful printed fabric in deep rust tones, featuring a sumptuous design of pheasants, birds, and lush bouquets of flowers. The naturalistic scenes unfold harmoniously between vertical ornamental bands that give the design a rhythmic flow and lend these curtains a refined presence. The warm hues--rust, coral, soft green, celadon blue, and ivory--create a cozy and timeless atmosphere, evoking both grand English country estates and classic French interiors. The curtains are crafted with a gathered top, ready to hang, and feature a beautiful drape. They will naturally find their place in a living room, bedroom, library, or a home with character, bringing color, elegance, and poetry to the decor. Dimensions: Height: 222 cm, with a 20 cm
