

English "blue And White" Transfer-printed Ceramic Plate, Staffordshire, 19th Century

150 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 25 cm

Description

English "Blue and White" transfer-printed ceramic plate, Staffordshire, 19th century. The central motif depicts a lively riverside scene with an arched bridge, boats, and buildings in the background--a "continental" landscape style that was very popular at the time. The rim is decorated with a raised floral border (roses and other flowers). A vintage Staffordshire piece, dating from approximately 1820-1850, depicting Ponte Rotto.
