

18k Gold Charm Bracelet - French Work

5 200 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

A charming 18-karat yellow gold charm bracelet, featuring openwork links and six miniature charms, each telling its own story. It is adorned with a set of four enameled aces, a religious medallion, a handbag engraved with "B.C.", which opens to reveal a small red stone heart, a well that also reveals a small red stone heart, a scooter accompanied by a bag, and a small figurine. The bracelet features a ratchet clasp with a safety chain, ensuring it stays securely on the wrist. The ensemble forms a charming piece of jewelry, characteristic of these charm bracelets that were enriched over time with memories and personal preferences. Made in France in the early 20th century; some charms are more recent. Eagle's head and rhinoceros hallmarks. Traces of the master goldsmith's mark. Very good
