Neo-gothic Walnut Centerpiece Display Cabinet.

950 EUR

Period : 19th century

Condition : Très bon état

Material : Wallnut

Description

A delightful and original display cabinet in light walnut, dating from the second half of the 19th century. The cabinet is notable for its size (56 x 50, height 140) and its versatility: an upper compartment accessed through a front flap, the main open compartment accessed through two side doors, and a final "secret" compartment at the bottom, also accessible through two additional flaps
