Description

Very pretty vase, green roll pattern, chiseled with a grapevine design. The recessed decoration is accented with hand-applied gilding. Please note a slight flaw in the gilding, but nothing too significant--see photo. Richly decorated piece; please note a slight deposit at the bottom due to use. This piece closely resembles those from the most prestigious French houses. Its dimensions are 28 cm in height and 8.5 cm at the base. For more information, please contact me.
