

20th-century Woven Rattan Rocking Chair With Rosewood Armrests And Seat.

680 EUR

Period : 20th century

Condition : Bon état

Material : Rattan

Description

20th-century rocking chair featuring a woven rattan body with rosewood armrests and seat. The shell-shaped backrest is characteristic of the 1950s and 60s and the bohemian style. The subtle blend of materials and color tones gives this armchair real character.
