2 900 EUR

Period : 19th century

Condition : Très bon état

Width : 110cm

Height : 162cm

Depth : 60cm

### Description

An elegant Empire/Restoration-period center dressing table in flamed mahogany, resting on four carved swan-neck legs joined by a turned crossbar. The original Carrara marble top with a recessed edge sits above a belt-style drawer with mahogany trim. The swiveling oval mirror, framed by a carved mahogany frame featuring floral motifs and rosettes, is supported by two carved swan-neck arms that echo the decorative style of the legs. Excellent condition and quality of cabinetmaking
