

Tetra Coffee Table By Bernard Vuarnesson, France, 1980s

1 900 EUR

Signature : Bernard Vuarnesson

Period : 20th century

Condition : Très bon état

Material : Solid wood

Description

A refined yet playful design by French architect and designer Bernard Vuarnesson, this 1980s coffee table exemplifies the balance between form and function that defines his work. Crafted from Iroko wood, the table features a sleek square structure, enhanced by a series of sliding, reversible, and removable tops--an ingenious system that allows for subtle transformation. Designer: Bernard Vuarnesson Model: Tetra Height: 31 cm Length: 55 cm (folded) Depth: 55 cm (folded)
