

Fang Mask From Gabon

1 200 EUR

Period : 20th century

Condition : Etat d'usage

Description

Stunning large antique Fang mask from Gabon, height 35 cm, shows wear, has missing pieces and cracks (see photo), from the early 20th century. Very pure, simple, abstract, and cubist composition. I buy only French collections--from former expatriates, collector estates, and the like--since nothing has been available in Africa for a long time now. Please feel free to contact me to negotiate the price; that is part of the tradition in the antiques trade, and I have no problem with it at all.
