

Two Solid Walnut Nightstands With Gray Marble Tops, Restoration Period

500 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Width : 42

Height : 78

Depth : 34

Description

A set of two solid walnut nightstands; both are open on the sides for easy handling, and both feature Saint Anne gray marble tops and sleeved legs...The first has a door that opens to accommodate a chamber pot on one side and features a drawer at the top and two false drawers below on the opposite side; its marble top serves as a tray for small items. The second has a drawer and a small hinged panel; its marble top is framed by wood. Understated; some signs of wear; one leg has a sleeve; standard restoration. Restoration period.
