Description

French Art Deco Lacroix/ Lalique Very Interesting Opalescent Glass And Wrought Iron Table Lamp circa 1930. Attributed to Jean Boris Lacroix 1902-1984 in Collaboration with Lalique. The glass shade signed for R. Lalique, it is known that Lacroix also had a collaboration with Egan glass factory (established by Jean Gauthier). Very interesting is, that we have found the same wrought iron base also on another table lamp signed Jean Boris Lacroix. In very good original condition, no cracks or chips and no restorations. The lamp has been rewired with new old style fabric cable. French circa 1930. 31cm high, 21.3cm diameter shade, 11cm diameter base.
