

19th-century Eglomized Glass Ball Vase On A Pedestal

490 EUR

Period : 19th century

Condition : Etat d'usage

Material : Glass

Height : 32.5

Description

Elegant glass ball vase on a foot, decorated in the "potichomanie" style with flowers, birds, and insects in medallions against an azure blue background. Some chips and wear, but a charming piece nonetheless; 19th-century work.
