Description

Solid Mahogany Empire Sofa - 19th Century
Elegant solid mahogany Empire-style sofa, dating from the 19th century. This piece features all the hallmarks of the Empire style: a straight backrest, elegantly curved armrests, saber-shaped legs, and clean, balanced lines. The quality of the mahogany and its beautiful patina attest to its meticulous craftsmanship. The sofa is upholstered in a beautiful red fabric in excellent condition, accented with brass tacks. The seat is also in excellent condition--firm and comfortable--allowing for immediate use without any restoration work required. The back is fully finished, allowing it to be displayed as a centerpiece in a room. A beautiful piece of furniture, as decorative as it is comfortable, ideal for a classic or contemporary
