

Florence Knoll Coffee Table In Chrome-plated Steel With A Slate Top, 1970s

1 280 EUR

Signature : Florence Knoll

Period : 20th century

Condition : Bon état

Material : Chromium

Length : 114

Width : 57

Height : 43

Description

Chrome-plated steel coffee table with a slate top by Florence Knoll, dating from the 1970s. The base is in good condition, with a few slight dents that are only visible upon close inspection. The thick marble top (very heavy) is in very good condition, with a few tiny chips. It seems that slate tops are quite rare.
