

Polychrome Wooden Figurine

360 EUR

Period : 18th century

Condition : Quelques manques

Material : Solid wood

Width : 20 cm

Height : 42 cm

Depth : 9 cm

Description

An 18th-century wooden statuette depicting a warrior. The figure has long hair and is dressed in a tunic. As seen in a photograph, his right hand was likely clenched around an object--a sword, spear, or something else. The back is adorned with a curious pair of folded wings, which might suggest a depiction of Saint Michael. This statuette retains traces of polychrome paint. The shoes have been restored.
