Description

Contemporary 750? yellow gold necklace (18 KT, eagle-head hallmark), featuring a round forçat chain that forms an integral part of the piece and supports a hinged pendant adorned with two pear-shaped emeralds set within a border of brilliant-cut diamonds. The two emeralds are subtly inverted, their pear-shaped silhouettes harmoniously mirroring one another. This composition gives the pendant a fluid movement and a particularly balanced silhouette. The stones display a beautiful, deep, uniform, and luminous green color, as well as exquisite crystallization, lending depth and brilliance to the entire piece. Each emerald is highlighted by a setting of brilliant-cut diamonds that elegantly accentuates their pear-shaped silhouette and enhances their luminosity without altering their rich color. The

chain, sold with the pendant as an integral part of the piece, is a round forçat link chain in 750? (18 KT) yellow gold. It features three adjustment rings, allowing it to be worn at three different lengths depending on the desired style or neckline, as well as a practical and secure lobster clasp. With its sleek design, the quality of its stones, and the balance of its proportions, this necklace perfectly exemplifies contemporary jewelry, emphasizing the gemstones through a delicate and luminous setting. Estimated total weight of emeralds: approximately 0.96 carats Estimated total weight of diamonds: approximately 0.20 carats Three available lengths: 38, 40, and 42 cm Gross weight: 3.12 g Condition: imperceptible micro-scratches on the gold; characteristic natural inclusions in the emeralds that are imperceptible when worn; natural inclusions in the diamonds not visible to the naked eye Payment can be made entirely online via the website. We are available to provide any information regarding alternative payment methods. Are you a professional? Please contact us directly at the store! Our reference: ESAP693EM
