Description

Oak sofa with ecru tufted upholstery by Guillerme and Chambron for Votre Maison, 1960s. An elegant modernist sofa from the 1960s, made of solid oak, attributed to Robert Guillerme & Jacques Chambron for the manufacturer Votre Maison. The design is understated, yet makes a striking statement thanks to its airy base and the interplay of side rails typical of this aesthetic. The seat and backrest are upholstered in a luminous ecru bouclé fabric, creating a warm and contemporary look that contrasts perfectly with the wooden frame.
