Description

Large sculptural oak table, 1950s
Large sculptural oak table, 1950s
Imposing oak table with a rectangular top featuring geometric marquetry and a central compass rose. The base is particularly decorative: two carved supports featuring volutes and lion's paws, connected by a low crossbar, giving the piece a truly architectural presence. A reimagined neoclassical/Neo-Renaissance style, typical of the grand interior design ensembles of the 1950s. Discover all our other products on our website: www.llantiquites.com
