Description

A corner sideboard made of walnut-stained beech, dating from the mid-20th century in Italy. The piece features an elegant front with a pair of doors, topped by two drawers, which are repeated on the corner sides, giving it a harmonious and symmetrical appearance. The cantilevered legs provide stability and a touch of style. The solid construction and well-balanced aesthetics of this sideboard make it a versatile piece, suitable for various locations throughout the home. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
