Description

A 20th-century Piedmontese-made walnut sideboard, characterized by a design inspired by the Provençal style. The front features an upper drop-down door, accompanied by two lower doors finely carved with leaf motifs and volutes. The curved legs, ending in scrolls, lend a subtle elegance typical of handcrafted pieces from this period. The sturdy construction and meticulous finish make this piece a fine example of quality and tradition, perfect for spaces that seek to evoke the atmosphere of the past. Product Condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
