Description

This Baroque-style sideboard, created in the 20th century, is crafted from antique walnut and fir wood. The frame beneath the top is finely carved, adding a touch of sophistication. The front features two upper drawers and a pair of paneled doors, offering ample storage space. The cantilevered legs add stability and a touch of classic elegance to the overall design. The walnut and fir interiors attest to the quality of the materials used.Product condition:Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
