Description

Baroque-style sideboard with dish rack, made of walnut, from Italy, dating from the first half of the 20th century. The upper section features three open shelves, elegantly lined with fabric, and five drawers aligned at the bottom, offering ample space for display and organization. The base consists of three under-counter drawers and three paneled doors that reveal fir wood interiors, ensuring sturdiness and durability. The cantilevered legs lend elegance and stability to the entire structure. A distinctive piece that reflects classic Italian craftsmanship, ideal for enriching spaces with a historic and refined touch. Product condition: Due to its age and wear, this product requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If
