Description

Portrait of a Young Woman, from the studio of Jean Marc Nattier, circa 1740, This charming portrait depicts a young and pretty woman in a half-length pose, seated and elegantly dressed in a pink satin coat and a cream-colored silk gown, embroidered in gold with flowers and adorned with diamond pins, her hair adorned with blue flowers, her gaze both innocent and mischievous, full of tenderness Canvas measures 57 by 46 This delightful portrait is undoubtedly from the studio of the great painter Nattier; it is in fine condition, 18th-century French school, in a carved and gilded wooden frame (with minor imperfections on the frame) that will be restored A delightful portrait in the "grand style of 18th-century France"
