1 000 EUR

Signature : Alex Herzog

Period : 20th century

Condition : Bon état

Material : Solid wood

Width : 40

Height : 83

Depth : 30

Description

Abstract sculpture by Alex Herzog in Zurich. Carved from solid wood, the work plays on the contrasts between natural wood, black, and gray. The geometric forms rise from a circular base carved with a gouge, leaving the tool marks deliberately visible. This expressive style, combined with an architectural composition, gives the sculpture a presence that is both primitive and contemporary. Switzerland, circa 1970.
