Description

Three-door bookcase in walnut, French craftsmanship from the early 20th century. The piece features a harmonious and well-proportioned structure, with lower doors veneered in a herringbone pattern--a fine, traditional cabinetmaking technique that highlights the natural grain of the walnut. The upper section consists of open shelves, ideal for books and collectibles, topped by a shaped walnut cornice mounted end-to-end--a distinctive element that lends movement and elegance to the piece as a whole. It features original, finely crafted bronze moldings and handles, attesting to the authenticity and quality of the period. A piece of great charm and functionality, perfect for studies, libraries, or classic settings, yet capable of blending seamlessly with more contemporary
