## Walnut Castle-style Coat Rack

1 390 EUR

Period : 19th century

Condition : Parfait état

### Description

Large walnut castle coat closet A magnificent and imposing castle coat closet made of solid walnut, combining elegance and functionality. This high-quality piece captivates with its architectural lines, rich carved decoration, and numerous original features. It features a large beveled mirror framed by fluted columns and topped by an elegant, removable carved pediment, allowing its height to be adjusted to suit the room. The coat rack is equipped with bronze coat hooks for coats and hats, as well as two side umbrella stands with their original zinc trays. The central section features a front drawer with a bronze handle, topped by a marble shelf--ideal for keys, mail, or decorative items. The entire piece rests on a sturdy base, making a striking statement in an entryway, foyer, or home with character. This coat
