Description

An elegant, large antique mirror in the Louis XVI style, crafted from finely carved wood and gilded with gold leaf, featuring a refined design of water leaves and pearls. The mirror has retained its original antique glass, whose pinholes, oxidation spots, and slight discoloration of the tin coating attest to its authenticity. The gilding, with its rich patina, shows beautiful natural wear as well as some routine restorations, without detracting from the overall elegance of the piece. Available now in our showroom. Restorations will be performed at the customer's request.
