Description

An elegant vintage English rotating magazine rack (20th century), designed to hold newspapers, magazines, and books. This piece features five curved arms and rests on turned columns and a flared tripod base, adorned with decorative scroll motifs. The rotating mechanism operates smoothly, making the piece as practical as it is attractive. The piece is in good overall condition; there are slight repairs to the brass supports, consistent with the piece's age and use (see photos). These minor imperfections in no way detract from its charm, character, or functionality. An elegant and versatile antique piece, ideal for a living room, office, library, or classic-style interior. Dimensions: Height: 165.7 cm Width x Depth: 55 cm
