Description

Large green-glazed terracotta planter - 1970s
Large glazed terracotta planter with a green glaze, featuring a baluster shape resting on a circular pedestal. Created in the 1970s, it captivates with its simple, elegant lines and its beautiful glaze in shades of deep green. Its generous dimensions make it an ideal piece for housing a large plant in a sunroom, a winter garden, or a contemporary interior. Its timeless design allows it to blend seamlessly into both classic and modern decor. Dimensions: Height: 57 cm Diameter: 59 cm Period: 1970s.
