

Pair Of Louis XVI-style Queen's Armchairs, Circa 1900

700 EUR

Period : 20th century

Condition : Très bon état

Length : 64

Height : 100

Depth : 60

Description

These are Louis XVI-style Queen's armchairs, likely made around 1900-1920. They are not 18th-century period pieces, but rather meticulously crafted reproductions typical of the great Parisian workshops of the Belle Époque, which copied royal designs for the bourgeoisie.
