Description

The dedication she must have put into her performance creates a stunning sense of realism. The chair in the background suggests that she is still a student, as does the table she is sitting on. Her shawl, which resembles a cardigan, invites contemplation. She seems absorbed in her repetitive gestures. Her facial expression, like the delicacy of her fingers, lends an even greater sense of lightness. Her tights and ballet flats, along with the length of her legs, enhance the movement. Her slim black tank top contrasts beautifully with her silhouette. The green background adds even more energy to the composition. (33.5x46 cm) The frame, also green, features gold molding that completes this harmonious composition. Shipping available (not included in the price)
